Skills

- XML
- AJAX
- PHP
- .NET
- C#
- PostgreSQL
- JSON
- T-SQL
- ASP.NET
- jQuery
- Databases
- Apache
- Git
- Subversion
- Microsoft SQL Server
- ADO.NET

- REST
- JavaScript
- Visual Studio
- XSLT
- DOM
- XPath
- W3C
- XML Schema
- Cross-browser Compatibility
- DTD
- OOP
- Design Patterns
- Unit Testing
- Web Services
- TDD
- DHTML
- XSL
- MVC
- Test Driven Development
- Software Design
- Web Applications
- STL
- Agile Methodologies
- Web Development

Beruflicher Werdegang

Head of Software Development · Just2Trade · New York · 12 yrs 4 mos

Deputy Head of Department · FINAM · Moscow, Russian Federation · 1 yr 6 mos Project: WhoTrades.com

Development Team Lead · FINAM · Moscow · 2 yrs 10 mos Project: WhoTrades.com

Senior Software Developer · FINAM · Moscow, Russian Federation · 3 yrs 1 mo Projects: MirTesen.ru, NaPlatforme.ru also known as Platforma.MirTesen.ru

Senior Software Developer · Quest Software · 3 yrs 3 mos Application architecture, design and development of “Quest Password Manager”. Coordination and management web developers’ team. Communication with interface designers, technical writers, quality assurance and usability engineers.

Software developer · Integrated Marketing Solutions · 2 yrs 9 mos Application architecture and development of web projects. Databases development, design, tuning and optimization.

Development of internal CRM and ERP system (analysis and statistic modules).

Ausbildung

Moscow Power Engineering Institute (Technical University) · Master · Sequencing ,Mathematics

Moscow Power Engineering Institute (Technical University) · Bachelor · Sequencing ,Mathematics
